Subactivity Group: Mission Support Operations

#### I. Narrative Description:

This activity includes fuels for mission support operations; civilian personnel, including military technicians who force at a level of combat readiness that enables it to immediately augment the active force and be capable of conducting counterdrugs and the nuclear biological-chemical defense program; and medical support and supplies. These are required to provide the facilities, equipment, and day-to-day staffing needed to train, equip, and support an Air Force Reserve training conducted at deployed locations; per diem; communications; miscellaneous services and equipment; support to carry on the day-to-day training, maintenance, and administration of the Air Force Reserve; transportation cost for independent operations in accordance with unit wartime tasking.

- This activity contains financing for the following mission support units and activities: II.
- -- Combat Communication Units
- -- Aerial Port Units
- -- Medical Readiness Units
- -- Aeromedical Evacuation
- -- Civil Engineering Units
- -- Combat Logistics Support -- Military Training Schools
  - -- Milicaly Haining School -- Counterdrug Activities
    - -- Other Support
